Dear Friends:

I am pleased to send greetings to everyone attending the 2010 Conference of the Institute for Horn of Africa Studies and Affairs, which is being held at the University of Minnesota.

I commend your efforts to create a dialogue to examine ways to promote peace, justice, and human rights in the Horn of Africa. This forum provides a unique opportunity for people to discuss and work toward solving the region's problems.

Thank you for your work, and best wishes on a successful conference.

Sincerely,

Byron L. Dorgan
U.S. Senator
