Institute for Horn of Africa Studies and Affairs

Dear IHASA conference members:

I would like to take this opportunity to send my warmest greetings and my sincere regret for not being able to attend the Institute for the Horn of Africa Studies and Affairs (IHASA) annual conference.

The Horn of Africa is an important region, and this conference's focus on the longstanding conflict in the Ogaden will bring critical attention to the needs of the region. Conflict resolution in the Horn of Africa is an important United States foreign policy objective, and IHASA's focus on the political, social, human rights, and economic issues at play in the Ogaden can help work towards bringing peace to the region.

Thank you again for bringing this conference to my attention; it is my hope that it is both successful and productive.

Sincerely,

A handwritten signature in black ink that reads "Earl".
